COMING IN 2009 THE GREAT AUSTRALIAN CANCER BUSH WALK

A staged walk from Cape York to Wilsons Promontory passing through the New England Region. The walk will depart the Timbarra River area in January 2009 following the National Trail up the Guy Fawkes River to Ebor then along Kunderang Brook to Werrikimbe and Barrington Tops arriving around Easter. Bushwalking clubs are invited to join various sections. So let's become involved by putting on walks from day walks to extended walks in our area and help those who suffer from cancer. Become involved and be part of this fund raising event.

CONTACT LEADER FOR GRADES OF WALKS PRIOR TO ATTENDING THE WALK. IF YOU ARE UNSURE ABOUT YOUR SUITABILITY AND FITNESS FOR ANY ACTIVITY ALWAYS ASK THE LEADER.
